

Why do we process your information?

Last updated 24th November 2022.

The section below explains what personal information is necessary for each purpose. We keep our processes and data collection under review and will update this notice should any personal information no longer be necessary for the given purpose.

The lawful basis column explains how we comply with a technical legal justification for data processing under data protection laws. Please contact us if you have any questions.

Purpose & description	Personal information	Lawful basis for processing (UK individuals)	Lawful basis for processing (UAE individuals)
<p>To assist with your enquiries.</p> <p>For example, our sales team may respond to your request for a demo or our compliance team may respond to your legal enquiry or complaint.</p>	<p>general details</p> <p>account details</p> <p>details of your query</p>	<p>Necessary for our legitimate interest in responding to enquiries, complying with the law and best practice or, as the case may be, necessary for taking steps prior to entering into a contract or the performance of our contract with you.</p>	<p>Your consent or, as the case may be, as is necessary for taking steps prior to entering into a contract at your request or the performance of our contract with you.</p>
<p>We may record our calls with you for compliance, transaction records and crime prevention purposes.</p> <p>For example, we may record calls in and out of our sales team and any dealing instructions.</p>	<p>general details</p> <p>account details</p> <p>details of your query</p>	<p>Necessary for our legitimate interest in documenting enquiries and business transactions for compliance, governance and crime prevention purposes.</p>	<p>Your consent.</p>
<p>To provide our services to you, such as our website, app, client portal, trading platform, market data and other content.</p> <p>For example, when you visit our website, your browser will provide your IP address, browser type and other technical information to enable us to display our content in a compatible manner. If you login we will verify your account name, password and multifactor authentication data before granting access. We may send you email notifications as part of our market alert features or otherwise.</p>	<p>general details</p> <p>account details</p> <p>device and browser details</p> <p>usage data</p>	<p>Necessary for our legitimate interest in providing our services to the public and our customers, complying with the law and best practice or, as the case may be, necessary for the performance of our contract with you as our customer and compliance with our legal obligations.</p>	<p>Necessary for the performance of our contract with you or compliance with our legal obligations.</p>

Purpose & description	Personal information	Lawful basis for processing (UK individuals)	Lawful basis for processing (UAE individuals)
<p>To enable you to set up and maintain your user account, carrying out a credit reference check and service appropriateness check.</p> <p>For example, we will request your documentation to verify your identity and comply with our "know your customer" responsibilities. We will request information about your experience as investor to assess which services are appropriate for you. We will carry out checks for anti-money laundering, fraud prevention and similar purposes and share your information with credit reference agencies and similar organisations. A record of any fraud or money laundering risk will be retained by such organisations, and may result in others refusing to provide products or services to you.</p>	<p>general details</p> <p>identity details</p> <p>replies to our questionnaire</p> <p>account details</p> <p>payment details</p>	<p>Necessary for the performance of our contract with you, compliance with our legal obligations and to satisfy our legitimate interest in acting as a responsible broker, knowing our customers, complying with best practice or applicable laws.</p>	<p>Necessary for the performance of our contract with you or compliance with our legal obligations.</p>
<p>To enable you to fund and use your account by paying a deposit and purchasing services.</p> <p>For example, our third party payments vendor will collect your payment card information if you make a deposit.</p>	<p>general details</p> <p>account details</p> <p>payment details</p>	<p>Necessary for the performance of our contract with you.</p>	<p>Necessary for the performance of our contract with you.</p>
<p>To send you service communications about matters relevant to your use of our services and your engagement with us, such as surveys or other forms of active engagement, prize draws, availability of new services, changes in our terms, transaction records, etc.</p>	<p>general details</p> <p>account details</p>	<p>Service communications are necessary for the performance of our contract with you or, as the case may be, necessary for our legitimate interest in satisfying your requests, facilitating our services and organising related activities.</p>	<p>Necessary for the performance of our contract with you.</p>
<p>To assess your job application and for business administration purposes.</p> <p>For example, if you apply for a job, we will review your CV, publicly available information about you, information from your previous employers, professional references, criminal and credit check and other information. We may use automated decision-making to eliminate applicants who fail to meet the basic criteria for a role.</p>	<p>general details</p> <p>details of your query</p> <p>public data</p> <p>third party data</p> <p>special categories data</p>	<p>Necessary for our legitimate interest in responding to your query and, as the case may be, necessary for taking steps prior to entering into a contract. Special categories data may be processed as is necessary in the context of employment and social security laws.</p>	<p>Your consent or, as the case may be, as is necessary for taking steps prior to entering into a contract at your request or the performance of our contract with you or compliance with our legal obligations.</p>

Purpose & description	Personal information	Lawful basis for processing (UK individuals)	Lawful basis for processing (UAE individuals)
<p>To understand our audiences and customer profiles for product and service development, research, market intelligence, marketing, advertising, content personalisation, media performance and business administration, as described below.</p> <p>Depending on purpose, we use your profile information in anonymised or pseudonymised or, when it comes to marketing by say email, identifiable form, e.g. your email address. In some cases, this will include information observed or inferred from your activity or other information about you.</p>	<p>general details</p> <p>account details</p> <p>device and browser details</p> <p>usage data</p> <p>transaction data public data</p> <p>preferences and interests</p> <p>engagement information</p> <p>third party data</p> <p>opportunity records</p> <p>all collectively referred to as "customer profile data"</p>	<p>Necessary for our legitimate interest in understanding our typical customer profiles and demographics, for service development, research, market intelligence, marketing, advertising, content personalisation and business administration.</p> <p>Where required by law, we rely on your consent to deploy cookies or similar technologies on your device or to read information on your device except where necessary for essential services (please see our cookies notice).</p>	<p>Your consent.</p>
<p>To develop our features, services and organisation based on our anonymised surveys and audience data, service and app usage data, transactional data, reports and third party tools which rely on pixels or similar scripts to measure relevant events.</p> <p>For example, we deploy a tool which shows where your mouse travels on our website to measure the popularity of our content and features. Analytics tools help us understand your country, age group, pages visited before and after and other statistical demographic information about you and other users. Anonymous website statistics are used to decide which part of our services are not popular or may need further development to cater for our primary markets. In limited cases, it may be necessary to use your pseudonymised information to develop personalisation and similar features. We may invite you to participate in early releases of our new features if we determine that this may be of interest to you.</p>	<p>anonymised customer profile data</p> <p>In limited cases (e.g. to develop personalisation features) pseudonymised customer profile data.</p> <p>general details if we contact you about our early releases</p>	<p>Necessary for our legitimate interest in product development and keeping our services relevant.</p> <p>Where required by law, we rely on your consent to deploy cookies or similar technologies on your device or to read information on your device except where necessary for essential services (please see our cookies notice).</p>	<p>Your consent.</p>
<p>To conduct industry research and gather market intelligence and insights for internal and external use.</p> <p>For example, anonymous transaction statistics and content interaction data allow us to release reports, dashboards, heatmaps, sentiment indicators and other reporting tools about top traded instruments and asset types, changes in positions across our customer base, most viewed or searched content and other metrics and trends which may be presented to you based on the instruments which you previously engaged with.</p>	<p>pseudonymised customer profile data</p>	<p>Necessary for our legitimate interest in utilising industry knowledge for strategic business decisions, research as well as sharing knowledge with our customers and the public.</p>	<p>Your consent.</p>

Purpose & description	Personal information	Lawful basis for processing (UK individuals)	Lawful basis for processing (UAE individuals)
<p>To send you risk management messages or restrict scope of our services based on your risk profile, which may include automated tools.</p>	<p>pseudonymised customer profile data</p>	<p>Necessary for our legitimate interest in acting as a responsible broker and understanding our customer risk profiles and necessary for compliance with our legal obligations.</p>	<p>Necessary for compliance with our legal obligations or to protect your interests as our customer.</p>
<p>To send you relevant marketing communications about our existing and new products and services by email, text, push, post or other channels if you sign up for a demo or if you are our existing customer.</p> <p>Our marketing tools rely on cookies and similar scripts to track your interaction with our marketing messages, such as open rates or content clicked on, to optimise campaign performance.</p>	<p>general details account details customer profile data</p>	<p>We rely on your consent if you sign up or on soft opt-in (presumed consent) if you are our existing customer. You can unsubscribe at any time.</p> <p>Where required by law, we rely on your consent to deploy cookies or similar technologies on your device or to read information on your device except where necessary for essential services (please see our cookies notice).</p>	<p>Your consent.</p>
<p>To display relevant advertisements on websites, apps, social media and other inventory. Our advertising tools rely on cookies, similar scripts and advertising ID solutions and complex automated processes and decision-making.</p> <p>However, we use pseudonymised information that does not include your name or similar information, except in limited cases where your details such as your email address is needed to identify you on social media for advertising purposes.</p> <p>We rely on your customer profile data to understand your interests and preferences known, observed and inferred to design marketing and advertising campaigns that are relevant to you (also known as “profiling”, “personalisation” and “predictive analytics”), use an ID such as your hashed email address to identify you within third party datasets without actually disclosing your email and allocate your profile to relevant audience segments (also known as “matching”, “data enrichment”, “targeting”) or matching you against our typical customer profile (creating “lookalike audiences”), and measuring conversion events linked to your advertising ID to optimise campaign performance.</p>	<p>general details pseudonymised customer profile data</p>	<p>Where required by law, we rely on your consent to deploy cookies or similar technologies on your device or to read information on your device except where necessary for essential services (please see our cookies notice).</p> <p>Some of our marketing and advertising activities are necessary for our legitimate interest in understanding your interests from the information available to us, information observed or inferred and third party information, in promoting our business and understanding campaign metrics.</p>	<p>Your consent.</p>

Purpose & description	Personal information	Lawful basis for processing (UK individuals)	Lawful basis for processing (UAE individuals)
<p>To deliver personalised news, market insights, notifications and other content relating to your investment interests based on instruments and content which you previously engaged with.</p> <p>The feature relies on numerous datapoints concerning you, your trading behaviour and the content you look at online. This will include information such as your age, industry, country of residence, currency, content browsing history, time spent on content, but also your investment portfolio, details about your trading instructions, profit, how often you fund your account, your balance and other information.</p> <p>The information is ingested by our partner Alphastream in encrypted and pseudonymised form and analysed using its proprietary algorithm to create your profile which is then allocated in audience segments. Once we establish your areas of interest we source and present you and other customers in the same audience segments with relevant content from third party content providers and the Internet.</p> <p>Alphastream.io Limited acts as our service provider. It will also anonymise your data for its own legitimate purposes such as product development. Please see https://alphastream.io/privacy-policy for more information.</p>	<p>pseudonymised customer profile data</p>	<p>Necessary for our legitimate interest in providing a competitive service with useful and innovative features.</p> <p>Where required by law, we rely on your consent to deploy cookies or similar technologies on your device or to read information on your device except where necessary for essential services (please see our cookies notice).</p>	<p>Your consent.</p>
<p>To manage our professional relationship with you using our record management systems and engagement tools, identifying opportunities, contacting you by phone and sending you marketing communications.</p>	<p>general details details of your query professional opportunity records</p>	<p>Necessary for our legitimate interest in understanding and maintaining our business relationships and administering our business. You have the right to unsubscribe from marketing at any time.</p>	<p>Your consent or, as the case may be, as is necessary for the performance of our contract with you.</p>
<p>To publish information about individuals such as company officers, shareholders and other rights holders from publicly available sources such as company reports, regulatory filings and press releases to provide market information to our customers in connection with our services.</p>	<p>public data</p>	<p>Necessary for our legitimate interest in providing useful content to our customers.</p>	<p>Necessary for advancing the public interest in publishing market data.</p>

Purpose & description	Personal information	Lawful basis for processing (UK individuals)	Lawful basis for processing (UAE individuals)
